MEMORANDUM FOR: DDR&E Ad Hoc Steering Group

SUBJECT: Recommended Package for the DCI's One-Percent Fund

25X1

1. As promised, I am forwarding the recommended package for the DCI's One-Percent Fund (Attachment 1). It, along with the descriptions of the initiatives and of the general process and criteria we used to choose these initiatives, were sent to the Program Managers this morning for their meeting with the DCI on 28 October. Attachment 1 lists the initiatives included in the package, and it displays the resulting funding profiles by initiative, bundle, and program.

2. I also have included as Attachment 2 a list of changes (adds, drops, and modifications) that have been made since our meeting on the 18th. You will note that the recommended package reflects many of the views expressed at our 18 October meeting. Also, we have incorporated the results of the Program Managers meeting on 21 October where the One-Percent Fund was discussed and apparent agreement reached.

3. Thank you again for your help, and please call if there is more I can do to help you.
